### 1. Aims

This policy aims to show our commitment to meeting our obligations with regards to school attendance, including those laid out in the Department for Education’s (DfE’s) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#), through our whole-school culture and ethos that values good attendance, including:

- Setting high expectations for the attendance and punctuality of all pupils
- Promoting good attendance and the benefits of good attendance
- Reducing absence, including persistent and severe absence
- Ensuring every pupil has access to the full-time education to which they are entitled
- Acting early to address patterns of absence
- Building strong relationships with families to make sure pupils have the support in place to attend school

We will also promote and support punctuality in attending lessons.

### 2. Legislation and guidance

This policy is based on the Department for Education’s (DfE’s) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#) and [school attendance parental responsibility measures](#). - Part 7 of the [Education and Inspections Act 2006](#)
- [The Education \(Pupil Registration\) \(England\) Regulations 2006 \(and 2010, 2011, 2013, and 2016 amendments\)](#)

### 3.6 School Office staff

School Office staff will:

- Take calls from parents/carers about absences on a day-to-day basis and record them on the school system
- Transfer calls from parents/carers to the attendance officer where appropriate, to provide them with more detailed support on attendance

### 3.7 Parents

Where this policy refers to a parent, it refers to the adult the school and/or local authority decides is most appropriate to work with, including:

- All natural parents, whether they are married or not
- All those who have parental responsibility for a child or young person
- Those who have day-to-day responsibility for the child (i.e. lives with and looks after them)

Parents are expected to:

- Make sure their child attends every school day on time
- Call the school to report on their child's absence before 9.00am on the day of the absence. We expect parents to call in and report the absence and each subsequent day of absence and advise when they are expected to return. Allowing the 48-hour containment rule, we expect the parent to call in and state when their child is last sick to ascertain the correct date to return.
- Provide the school with more than 2 emergency contact numbers for their child
- Ensure that, where possible, appointments for their child are made outside of the school day
- Keep to any attendance recommendations and support offered that they make with the school and/or with local authority
- Seek support, where necessary, for maintaining good attendance, by contacting Miss Donna Bowes, Attendance officer contacted via telephone 01246 864833 or email, donna.bowes@sharleypark.derbyshire.sch.uk

### 3.8 Pupils

Pupils are expected to:

- Our children on our school roll attend school every day
- To be on time ready for learning in their class by **8.55am (8.45?)**
- Always be honest and truthful and open
- Come back to school where possible after a medical appointment to continue learning
- Behave in a way that is appropriate and safe at school

## 4. Recording attendance

### 4.1 Attendance register

We will keep an electronic attendance register and place all pupils onto this register.

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark, using the appropriate national attendance and absence codes from the School Attendance (Pupil Registration) (England) Regulations 2024, whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent

- › Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- › The original entry
- › The amended entry
- › The reason for the amendment
- › The date on which the amendment was made
- › The name and position of the person who made the amendment

See Appendix 1 for the DfE attendance codes.

We will also record:

- › For pupils of compulsory school age whether the absence is authorised or not
- › The nature of the activity where a pupil is attending an approved educational activity
- › The nature of circumstances where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 6 years after the date on which the entry was made.

The school day starts at 9.00am and ends at 3.15pm for reception, year 1 and 2 and 3.20pm for year 3 to 6

Pupils must arrive at school by **8.50am (8.45?)** each school day.

The register for the first session will be taken at 8.55am and will be kept open until 9.30am. The register for the second session will be taken at 1.00pm and will be kept open until 1.30pm.

## 4.2 Unplanned absence

The pupil's parents must notify the school of the reason for the absence on the first day of an unplanned absence by 9.00am or as soon as possible by calling the school administration staff, who can be contacted via 01246 864833

Parents must contact the school notifying them of any absence using Dojo messaging and telephone, leaving voicemail where necessary, stating the reason for absence clearly.

Parents are expected to contact the school each day of their child's absence. The school applies the 48hour rule for sickness and diarrhea, therefore the time of the last time the child was sick must be stated when notifying the school of the absence

We will mark absence due to physical or mental illness as authorised, unless the school has a genuine concern about the authenticity of the illness.

If the child's absence continues, after day 3, the school will make a wellbeing call to ask about the child and ascertain when the child could potentially return back to school if well enough to do so.

Where the absence is longer than 5 days, or there are doubts about the authenticity of the illness, the school will ask for medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied with the authenticity of the illness, the absence will be recorded as unauthorised, and parents will be notified of this in advance and asked to provide evidence to support their position.

## 4.3 Planned absence

Attending a medical or dental appointment will be counted as authorised if the pupil's parents notify the school in advance of the appointment. (Attendance code M)

As soon as parents are notified of a medical or dental appointment, the school should be notified and provided with evidence to support the appointment, only after evidence has been provided will the registers be updated with the correct code.

However, we encourage parents to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary and always be return to school where possible to minimise lost educational opportunities.

The pupil's parents must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the school can authorise.

#### 4.4 Lateness and punctuality

A pupil who arrives late:

- Before the register has closed will be marked as late, using the appropriate code
- After the register has closed will be marked as absent, using the appropriate code

Children who are persistently late soon fall behind with their learning

Pupils who come in to school after 8.55am and arrive through the school reception area will be asked by the Attendance officer why they are late, and a reason must be given. The parents will sign up for their child in to the electronic RM Integris system and their child will be marked as late (Attendance Code L)

Any child who arrives for school later than 9.30am will be marked as late (Attendance code U). This is an unauthorised absence for the whole session and will affect your child's overall attendance percentage and can be used to calculate absence thresholds for legal decision making.

All reasons for lateness and punctuality are monitored and if persists parents will be invited to an attendance meeting to discuss how we could improve the child's attendance.

#### 4.5 Following up unexplained absence

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:

- Call the pupil's parents on the morning of the first day of unexplained absence to ascertain the reason. If the school cannot reach any of the pupil's emergency contacts, the school will act with a home wellbeing check of the child as part of the safeguarding procedures of the school and leave a hard copy letter advising the parent that a visit has been made and to contact the school as soon as possible. If no contact is made and the school believes there is a safeguarding issue, the police will be contacted as part of the school safeguarding procedures.
- Identify whether the absence is approved or not
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session(s) for which the pupil was absent
- Call the parents on each day so that if the absence continues without explanation, to make sure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving a Derbyshire County Council Starting point and/or the police
- Where relevant, report the unexplained absence to the pupil's youth offending team officer
- Where appropriate, offer support to the pupil and/or their parents to improve attendance and communication, detailing clear timescales and target of improvement
- Identify whether the pupil needs support from wider partners, as quickly as possible, and make the necessary referrals
- Where support is not appropriate, not successful, or not engaged with the parents will be invited in to an attendance meeting with the attendance officer and senior leadership team See Section 5.2 below
- If parents do not engage with the school, and the child has not returned to school, the school safeguarding protocols are put in place and a Child Missing in Education referral will be conducted and reported to Derbyshire County Council.
- If three home visits (Safety and wellbeing checks) have been made due to the parents not informing the school the reasons for their child's absence and there has been no response from the parent of the absence, the Education and Welfare team at Derbyshire County Council will be notified and the national Framework will be followed

## 4.6 Reporting to parents

The school will regularly inform parents (see definition of 'parent', as used in this policy, in section 3.7 above) about their child's attendance and absence levels every term.

# 5. Authorised and unauthorised absence

## 5.1 Approval for term-time absence

The headteacher will allow pupils to be absent from the school site for certain educational activities, or to attend other schools or settings.

The headteacher will only grant a **leave of absence** to a pupil during term time if the request meets the specific circumstances set out in the [2024 school attendance regulations](#). These circumstances are:

- Taking part in a regulated performance, or regulated employment abroad
- Attending an interview
- Study leave
- A temporary, time-limited part-time timetable
- Exceptional circumstances

A leave of absence is granted at the headteacher's discretion, including the length of time the pupil is authorised to be absent for.

Requests by parent will be dealt with on a case-by-case basis under the guidance of the National Government Framework

Leave of absence will not be granted for a pupil to take part in protest activity during school hours.

As a leave of absence will only be granted in exceptional circumstances, it is unlikely a leave of absence will be granted for the purposes of a family holiday.

The school considers each application for term-time absence individually, considering the specific facts, circumstances and relevant background context behind the request.

Any request should be submitted as soon as it is anticipated and, where possible, at least 2 weeks before the absence, and in accordance with any leave of absence request form, accessible via the school office

Other valid reasons for **authorised absence** include (but are not limited to):

- Illness (including mental-health illness) and medical/dental appointments (see sections 4.2 and 4.3 for more detail)
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parent(s) belong(s). If necessary, the school will seek advice from the parent's religious body to confirm whether the day is set apart
- Parent(s) travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision
- If the pupil is currently suspended or excluded from school (and no alternative provision has been made)

Other reasons the school may allow a pupil to be absent from the school site, which are not classified as absences, include (but are not limited to):

- Attending an offsite approved educational activity, sporting activity or visit or trip arranged by the school
- Attending another school at which the pupil is also registered (dual registration)

- Attending provision arranged by the local authority
- Attending work experience
- If there is any other unavoidable cause for the pupil not to attend school, such as disruption to travel caused by an emergency, a lack of access arrangements, or because the school premises are closed

## 5.2 Sanctions

Our school will make use of the full range of potential sanctions – including, but not limited to, those listed below – to tackle poor attendance. Decisions will be made on an individual, case-by-case basis.

### Penalty notices

The headteacher (or someone authorised by them), local authorities or the police can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age, by issuing a penalty notice.

If the school issues a penalty notice, it will check with the local authority before doing so and send it a copy of any penalty notice issued.

Before issuing a penalty notice, the school will consider the individual case, including:

- Whether the national threshold for considering a penalty notice has been met (10 sessions of unauthorised absence in a rolling period of 10 school weeks)
- Whether a penalty notice is the best available tool to improve attendance for that pupil
- Whether further support, a notice to improve or another legal intervention would be a more appropriate solution
- Whether any obligations that the school has under the Equality Act 2010 make issuing a penalty notice inappropriate

A penalty notice may also be issued where parents allow their child to be present in a public place during school hours without reasonable justification, during the first 5 days of a suspension or exclusion (where the school has notified the parents that the pupil must not be present in a public place on that day).

Each parent who is liable for the pupil's offence(s) can be issued with a penalty notice, but this will usually only be the parent/parents who allowed the absence.

The payment must be made directly to the local authority, regardless of who issues the notice. If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

If issued with a **first** penalty notice, the parent must pay £80 within 21 days, or £160 within 28 days.

If a **second** penalty notice is issued to the same parent in respect of the same pupil, the parent must pay £160 if paid within 28 days.

A **third** penalty notice cannot be issued to the same parent in respect of the same child within 3 years of the date of the issue of the first penalty notice. In a case where the national threshold is met for a third time within those 3 years, alternative action will be taken instead.

### Notices to improve

If the national threshold has been met and support is appropriate, but parents do not engage with offers of support, the school may offer a notice to improve to give parents a final chance to engage with support.

Notices to improve will be issued in line with processes set out in the local code of conduct for the local authority area in which the pupil attends school.

They will include:

- Details of the pupil's attendance record and of the offences
- The benefits of regular attendance and the duty of parents under [section 7 of the Education Act 1996](#)
- Details of the support provided so far

- Opportunities for further support, or to access previously provided support that was not engaged with
- A clear warning that a penalty notice may be issued if attendance doesn't improve within the improvement period, along with details of what sufficient improvement looks like, which will be decided on a case-by-case basis
- A clear timeframe of between 3 and 6 weeks for the improvement period
- The grounds on which a penalty notice may be issued before the end of the improvement period

- Utilising attendance data to inform parents of their child's attendance and alert to existing and future concerns around attendance for improvement

## 7. Supporting pupils who are absent or returning to school

### 7.1 Pupils absent due to complex barriers to attendance

The school approach is support first. Some children face greater barriers to attendance, such as pupils with long term medical conditions or special educational needs and disabilities.

For children who face complex barriers to attendance, our school will have sensitive approach to this and have sensitive conversations with children and families and work with them to put support in place. This is explained in our ['Working together to improve school attendance'](#) guidance.

Support may include [reasonable adjustments](#) for pupils with disabilities or help for pupils where [mental health issues](#) are affecting their attendance.

### 7.2 Pupils absent due to mental or physical illness or SEND

- The school provides available senior specialist teachers to help children with mental health and SEND requirements
- Set realistic expectations of what the school can provide and how we will help a child back in to school
- Work on building trust with parents and children
- Be patient and consistent, reflect and revisit reasons that are impacting on the child attending

Where a pupil has an education health and care (EHC) plan and their attendance falls, or the school becomes aware of barriers to attendance that are related to the pupil's needs, the school will inform the local authority.

### 7.3 Pupils returning to school after a lengthy or unavoidable period of absence

- Setting priorities for learning in the light of diverse needs and requirements
- Encouragement each child with routine around attending school
- Work with parents to reduce demands outside of school
- Ensure that the child when in school has the necessary support available and knows where to go
- Has "Check in" service available for the child on a one-to-one basis
- Regular communication with parents updating them on current situation and working together to continue to improve attendance.

## 8. Attendance monitoring

The school attendance officer monitors the following and this is actioned daily

- Unauthorised absences
- Non reporting of absence
- Punctuality of children
- Sickness off all year groups
- Holiday absences
- Attendance concerns
- Persistent absentees
- Meet with parents to offer support and a way forward to improving their child's attendance
- Any other related attendance issues

### 8.1 Monitoring attendance

The school will monitor attendance and absence data (including punctuality) half-termly, termly and yearly across the school and at an individual pupil, year group and cohort level.

Specific pupil information will be shared with the DfE on request.

The school has granted the DfE access to its management information systems so that data can be accessed regularly and securely

Mandatory data will be collected each term and published at national and local authority level through the DfE's school's absence national statistics releases. The underlying school-level absence data is published alongside the national statistics.

The school will benchmark its attendance data at whole school, year group and cohort level against local, regional, and national levels to identify areas of focus for improvement and share this with the governing board.

## 8.2 Analysing attendance

The school will:

- Analyse attendance and absence data regularly to identify pupils, groups or cohorts that need additional support with their attendance, and
- Identify pupils whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence.
- Conduct thorough analysis of half-term, termly, and full-year data to identify patterns and trends
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

## 8.3 Using data to improve attendance

The school will

- Develop targeted actions to address patterns of absence (of all severities) of individual pupils, groups or cohorts that it has identified via data analysis.
- Provide targeted support to the pupils it has identified whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence, and their families (see section 8.4 below)
- Provide regular attendance reports to class teachers, to facilitate discussions with pupils and families, and to the governing board and school leaders (including special educational needs coordinators, designated safeguarding leads.
- Use data to monitor and evaluate the impact of any interventions put in place to modify them and inform future strategies
- Share information and work collaboratively with other schools in the area, local authorities, and other partners where a pupil's absence is at risk of becoming persistent or severe, including keeping them informed regarding specific pupils, where appropriate

## 8.4 Reducing persistence and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school. Reducing persistence and severe absence is central to the school's strategy for improving attendance.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Consider potential safeguarding issues and, where suspected or present, address them in line with Keeping Children Safe in Education
- Hold regular meetings with the parents of pupils who the school (and/or local authority) considers to be vulnerable or at risk of persistent or severe absence, or who are persistently or severely absent, to:
  - Discuss attendance and engagement at school
  - Listen, and understand barriers to attendance
  - Explain the help that is available
  - Explain the potential consequences of, and sanctions for, persistent and severe absence
  - Review any existing actions or interventions

- Provide access to wider support services to remove the barriers to attendance, in conjunction with the local authority, where relevant
- Consider alternative support that can be accessed to remove any barriers to attendance and re-engage these pupils. In doing so, the school will sensitively consider some of the reasons for absence.
- Implement sanctions, where necessary (see section 5.2, above)
- Contact the relevant safeguarding authorities where appropriate
- Communicate with Derbyshire County Council for advice and follow-up
- Access referral through child missing in Education at Derbyshire County Council
- Access all national framework correspondence to ensure correct protocols are followed
- Parents will be invited to attendance meetings, with the first approach of support and how the school can assist the parents in fulfilling their duty for their child to attendance education
- The school will utilise all necessary support outside services that are available to them, this includes Starting Point referrals with Derbyshire County Council where there is a safeguarding issue
- The school will continue to monitor weekly children who met the 10% threshold of absence, or are working towards reaching it and working towards improving their attendance
- The school has regular safeguarding meetings where attendance is discussed, and concerns are raised
- The attendance officer provides parents with the pre-attendance letter which details all absences to date and current and past attendance and highlights the attendance concern for improvement to be made before escalation following national framework protocols
- Regular meetings between the Pastoral manager and Attendance officer to discuss attendance concerns and correlation between attendance and family concerns

## 9. Monitoring arrangements

This policy will be reviewed as guidance from the local authority and/or DfE is updated, and as a minimum once per year by Donna Bowes, Attendance Officer and /or subject to any National Government attendance updates which could be introduced. At every review, the policy will be approved by the full governing board

## 10. Links with other policies

This policy links to the following policies:

- Child protection and safeguarding policy
