Hi All,

Second week of being back to school and the weather has been kinder to us. We started Monday with a fun experience for Year 2 and Year 6 children, as they had a fantastic learning opportunity when The Yorkshire Wildlife team came to Sharley Park. The children were buzzing about what they learnt.

Please can I remind parents and carers to check their children's hair for headlice. If eggs or live louse are found then please treat this immediately as well as the whole family and bedding. School is as frustrated and annoyed at the reoccurrence of headlice in the school as some of our parents are and that this seems to continue to be an issue. We have shared the headlice information several times and please ask all parents to tackle this issue that is the ban of school life as well as a problem for families where their children keep being reinfested. Sadly all it takes is for one child or family to not deal with headlice correctly for it to become a problem for other families, parents, children and staff.

On Wednesday night the 'Story under the stars' took place for the brown mice and white mice. We were blown away by the numbers that turned up and the wonderful response to the event that school received. A massive thank you to all the EYFS staff who gave up their family time to make this event so wonderful. Not only did the children love it but so did the adult.

Next week (Monday and Tuesday) we have builders in the school who are going to complete the last stage of the conversion of the computing suite into two group rooms. They will be putting windows in the main separation wall to allow natural light into the room.

This week, two members of staff left Sharley Park, Miss Stone (TA) and Miss Finch (MDS) will be hugely missed. Both staff were wonderful with the children and brought such a brightness to the school. They will both be missed by the children, parents and staff.

Also, I would like to welcome Miss Hilton and Miss Bertram to the Sharley Park family. They will be working with the children of Sharley Park in a number of ways. Keep your eyes out for them and please make them welcome.

Have a great weekend

## Teddy News!

This week with the Teddy Assistants, I walked to heel, practised my 'sit' and began to learn the 'down' command. The children (and Mrs B) were very well behaved and I think my training of them is going very well.

Love Teddy

### Next Weeks Active Challenge:

### Step In, Step Out 60 Second Challenge

Can you keep trying even when you want to give up?

How many times can you step in and step out of a circle in 60 seconds?

You must step in and out of the circle, one foot at a time. Both feet must step into the circle and then out again. No jumping!

## The Journey Curriculum

Each week in school we will focus on an area of our Journey Curriculum Map—staff will ensure this is a focus in lessons and children will be asked about their understanding of it across the week. Our focus next week is...
