Hi All,

What a windy one we have had today. (beans were on the menu lol) I have to admit that I stood in a classroom watching the children outside at lunchtime and it was one of the funniest things that I have seen in a while. All I can say is it was very similar to how dogs behave in the wind. They totally lose the plot and run round willy nilly. The smiles on their faces was a joy to see.

A special shout out to the celebration children from the assembly today, in particularly the New Tupton Ivanhoe's under 10s gold team who have worked so hard with their coaches and have been promoted to the top division. A massive well done to you all.

A polite reminder of the school policy— no nail varnish, no jewellery (apart from stud earrings—due to health and safety) or toys to be brought or worn in school please. Also a reminder that school expects black footwear in school only. Many thanks.

I am happy to share that the large computing room that had been split into two rooms, has now had the internal windows put in this week. This makes both rooms flood with natural light which in turn makes the rooms much more pleasant to be in. Miss Hilton will initially be using one of the rooms and the other room will be a multifunctional room for group work, phonics and meeting room.

A reminder that the next few weeks in the run up to half term will be really busy for senior staff due to the two residential that take place and the absence in school of firstly Mrs French (Lea Green) and the week after myself (Whitehall). Other staff as always will be available to support/talk to parents should the need arise.

Have a great weekend

Mrs S xx

## Teddy News!

It was Teddy Time today with my trainers and they said I did really well. Little do they realise that it is actually me who trains them. I have trained them really well to throw a ball over and over again for me. They seem to really enjoy it. This weekend I am going on a big walk, which I am really looking forward to. I hope you are doing something fabulous too, this weekend.

Take care

Love Teddy xx

### Next Weeks Active Challenge:

### Step In, Step Out 60 Second Challenge

Can you keep trying even when you want to give up?

How many times can you step in and step out of a circle in 60 seconds?

You must step in and out of the circle, one foot at a time. Both feet must step into the circle and then out again. No jumping!

## The Journey Curriculum

Each week in school we will focus on an area of our Journey Curriculum Map—staff will ensure this is a focus in lessons and children will be asked about their understanding of it across the week. Our focus next week is...
