

SPCPS Newsletter

Hi All,

This week the weather has been quite kind to us however today was really quite cold. I have heard that the weather next week will be even colder so we may need gloves and hats. I think my bag for the residential next week, will have clothes for every weather scenario.

Just a reminder that next week I will be at Whitehall with the Year 5 and 6's for their residential. Mrs French, Mrs Pearson and I will be in constant communication and I know you will be in their capable hands.

As I type this newsletter, the staff from the Lea Green Y4 residential have just returned and the difference in them from how they looked when they left is rather interesting. They certainly look like a good nights sleep is very much needed. The children have shared what an amazing time that they have had learning new skills like the sky-line, zip wire, bush craft, stream walking to name just a few.

Just a polite reminder that the gates open in the morning at 8:40am, the classroom doors open at 8:45am (this gives 5 mins for children to travel to the classroom door) and learning starts at 8:45am. We have recently noticed an increase in children arriving at 9:00am when the gates are shut and after 15 mins of learning has been lost. That is 75 mins (1 hour and 15 mins learning lost each week). We will be reminding children of the timings next week and ask that parents also ensure their child is at school on time. If you need any further advice or support then please speak to Miss Bowes.

Mrs Pearson has asked if any parents have any coat hangers that they no longer need. If you do then please bring them in for Mrs Pearson. If she has too many then she has assured me that she will make some art sculpture with the rest lol.

Have a great weekend. Mrs S xx

Teddy News!

Well I am loving the fields behind school at the moment as I have been playing a game called 'Find and roll in the fox poo'. Strangely Mummy and Mrs Brothwell (who takes me for a morning walk) don't seem to find it as fantastic as I do.

Next week I am off on my holibobs, to Whitehall, with Mummy and some of the small people. I am super excited as it is my favourite place (it has rabbit poo to find there lol).

Love Teddy xx

Next Weeks Active Challenge:

Step In, Step Out 60 Second Challenge

Can you keep
trying even
when you
want to give
up?

How many times can you
step in and step out of a
circle in 60 seconds?

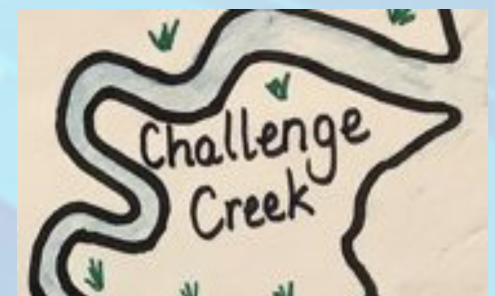

You must step in and out of the
circle, one foot at a time. Both feet
must step into the circle and then
out again. No jumping!

The Journey Curriculum

Each week in school we will focus on an area of our Journey Curriculum Map—staff will ensure this is a focus in lessons and children will be asked about their understanding of it across the week. Our focus next week is...

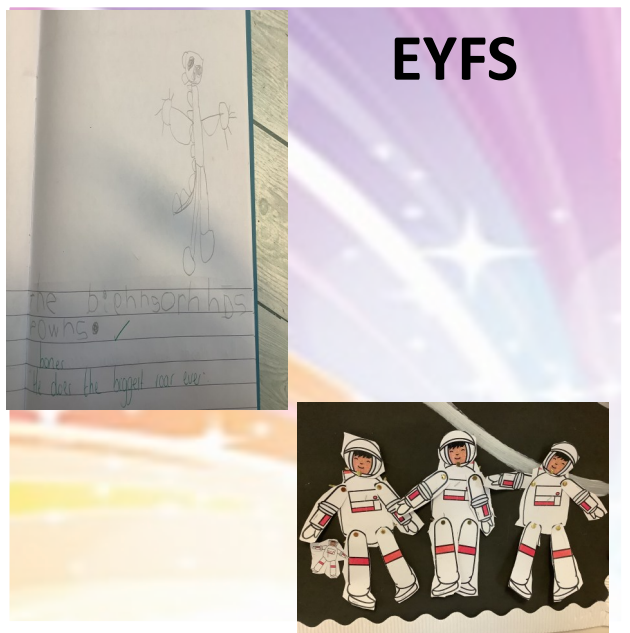

Challenge Creek
