Hi All,

Well what a week this has been, I am shattered. I don't know if it is the change in weather or the fact that the sun has poked it's head out but I am really needing a weekend break. Whilst on about this weekend, in assembly today, I spoke to the children about the 7 planets being in view tonight, for the first time in many years and that this wont be happening again in our life time. So if your child asks to look at the sky tonight you will know why.

I hope you all had a fantastic half term week, sadly a number of staff and children were poorly during the holidays but we are hoping that this will be a circuit breaker for this half term. We are reminding the children to keep washing their hand and to catch there colds in a tissue and bin them. Hopefully with the warmer weather we will see less of the winter illnesses.

A big good luck to a number of our children who will be performing in the Stage school production 'Frozen' this weekend, I am sure you will be amazing and I can't wait to see it on Saturday.

I wanted to take this opportunity to thank a parent who has spent their time generously knitting and creating some little Sharley Park children and also a Teddy one. These will be used in school but also kept safe. I was hoping to include a photo but the technology is not playing ball.

This week the children were amazing in our 'Hide from Mrs Stevenson and Teddy' procedure. I was immensely proud of their behaviour and maturity when carrying out this during the week. The children loved the game but as adults we know that this is a safeguarding procedure that is extremely important to carry out.

A polite reminder of water in bottles please.

Have a great weekend

## Teddy News!

I have had a great week this week. I have continued to learn my new command 'down' with the Teddy Assistants and Mrs Brothwell. Once I am able to do this on command I will move to a new command 'leave'. This one I find tricky as Mummy says it when I bring the ball back to her but she really doesn't understand that I don't want to leave my ball because I looooooove it.

Love Teddy xx

### Next Weeks Active Challenge:

#### Step In, Step Out 60 Second Challenge

Can you keep trying even when you want to give up?

How many times can you step in and step out of a circle in 60 seconds?

You must step in and out of the circle, one foot at a time. Both feet must step into the circle and then out again. No jumping!

## The Journey Curriculum

Each week in school we will focus on an area of our Journey Curriculum Map—staff will ensure this is a focus in lessons and children will be asked about their understanding of it across the week. Our focus next week is...
