Hi All,

What a tease the weather is! It was all summery and sunshine and out came the children wearing shorts and the staff showing their arms and then just as we realised how nice the sun is, it's gone again, replaced by rain and cold. I give up.

Anyway the week has been just gorgeous so it makes up for the pants weather. This week we have had assessment week and the children have worked so hard at remembering all the things that they have been taught. We also had a netball match and one year group enjoyed the fabulous weather at the Yorkshire Wildlife park. The army also came into school to speak to the year 6's. So another fun filled week.

Next week is our last week before we break up for Easter and will be filled with all things Easter and ending on Friday with the school council's Easter bonnet competition.

This morning in assembly, the children were reminded of our kind hands, kind feet, kind words policy. We reminded the children that physical aggression will not be tolerated and will have consequences. We reminded the children that rough play especially when playing sports such as football will also have consequences. Please remind your child of this and thank you for your support.

On a fantastic last note, yesterday school was told that they had won £7,000 in a grant that we had applied for. This grant is to turn grey areas into green areas and the focus of this money will go to bringing nature to the outdoor area in the centre of school, outside the nurture room and bloom room. Once we have created this new garden space- we will share the photos.

Finally, have a super weekend and to all the Mum's out there have a super Sunday and I hope you are spoilt rotten. Also to anyone who will be finding Sunday bitter sweet- I send you a massive hug.

Love Mrs S xxx

Teddy News!

I have not been in school much this week as Mummy has been on training a couple of times this week. However when I have been in, I have loved seeing all the little people coming through the gates in a morning. Have a lovely Mummy day

Love Teddy xx

Next Weeks Active Challenge:

Step In, Step Out 60 Second Challenge

Can you keep trying even when you want to give up?

How many times can you step in and step out of a circle in 60 seconds?

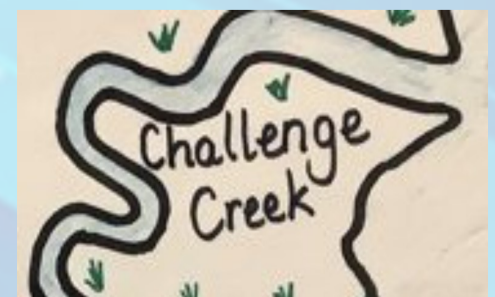

You must step in and out of the circle, one foot at a time. Both feet must step into the circle and then out again. No jumping!

The Journey Curriculum

Each week in school we will focus on an area of our Journey Curriculum Map—staff will ensure this is a focus in lessons and children will be asked about their understanding of it across the week. Our focus next week is...

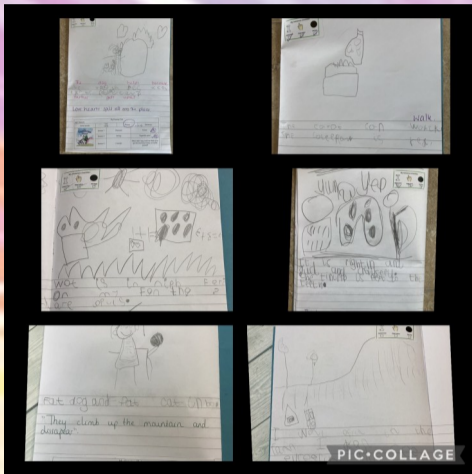

Challenge Creek

Reminders and Dates for the diary ...

Please can we politely remind you that children should be bringing water in their water bottles to drink in school. Many thanks

Lots of Love
Mrs Stevenson
Head Teacher xx

Let's journey together across our map, learning and progressing along the way.

Let's believe, have courage and achieve!
