Hi All,

Well the sun god has listened for once and granted us fine weather next week. I can't remember the last break where we were blessed with lovely weather, so enjoy it whilst it last. Please remember the writing and reading competition that is running over the Easter break.

On Tuesday we had a lot of fun. The children may have told you about the Lirpa Loof bird that had escaped and the bird dance that we had to perform on the playground to attract the bird back so it could be caught lol. I think we all laughed when it became apparent that Lirpa Loof is April Fool backwards. The children carried on talking about the bird for several days afterwards. Even some of the staff were initially looking to the skies for the escaped bird lol.

If at anytime over the Easter break, you feel like you need a break yourself, then please remember that Qualitas Sports Camp will be running through the Easter holiday. This is not booked through school but through Qualitas themselves. They offer a variety of different sports and also craft and drama activities.

Today was fabulous as we had our Easter Bonnet parade. A massive thank you to all the wonderful parents that got all creative and helped their children with the creation of some amazing bonnets. We had a surprise visit from the Easter Bunny (you may have seen the bunny on the gate where Mrs Pearson usually stands ha ha). The children loved wearing their bonnets, as did some of the staff and also Teddy who had had a Easter hat made especially for him. A few of the bonnets will be published in the Parish council newsletter, so keep a look out.

On Thursday we had an Easter Assembly and were thrilled to have the Reverend James with us to lead the assembly. It really got us in the Easter mood with he foods that are special at Easter time.

Wishing all of you a fantastic Easter break, lots of scrummy chocolate and tons of fun together. Mrs S xx

## Teddy News!

I had a lovely Easter gift bag today with a rabbit friend, doggy egg, doggy treats and my bonnet. I have had so much fun today watching the little people with eggs and chicks on their heads. Humans are very strange creatures sometimes. It is hard to figure them out. This week we were looking for a strange bird but hard as I looked I never saw it. I don't think I will be seeing the little people for 2 weeks now as they will be eating chocolate eggs—again how strange!

Love Teddy xx

### Next Weeks Active Challenge:

#### Step In, Step Out 60 Second Challenge

Can you keep trying even when you want to give up?

How many times can you step in and step out of a circle in 60 seconds?

You must step in and out of the circle, one foot at a time. Both feet must step into the circle and then out again. No jumping!

## The Journey Curriculum

Each week in school we will focus on an area of our Journey Curriculum Map—staff will ensure this is a focus in lessons and children will be asked about their understanding of it across the week. Our focus next week is...
