Hi All,

As always I am going to start with the weather. This week has been a mixture, I have had cold ankles on the gate and 20 mins later I am sweating buckets (and no it is not the menopause lol). Next week the forecast is that the weather will be hot, hot, hot! I have shared this information with the children in today's assembly. I have reminded them that they can wear summer dresses and the smart school shorts (not PE shorts) as the weather gets warmer. I have reminded them to pop on some sunscreen, bring a hat and a bottle of water, that can be refilled during the day if needed. Please also remember to pop names in clothing so that we can reunite them with their owners should they become separated.

On Thursday the school became a red, white and blue sea of happiness, thank you parents for your support, as there were some lovely outfits. The children spent time learning about VE day and the meaning behind it. Mr Sherwood did a fabulous job of creating an engaging assembly about VE day and Miss Potter provided music from Dame Vera Lynn. 'We'll meet again' was firmly stuck in our heads for the rest of the day.

Next week the Year 6's will be completing their formal SATs. The staff have done an amazing job reassuring the children and keeping stress and worry to a minimum for the children. We have shared with the children that SATs does not define them and that all the other wonderful things about each child are equally if not more important. Having said this though, all children will need to attend on time this week as a set start time is in place for the testing and DCC are extra vigilant of attendance in this week.

We have noticed an increase in early collections of children on a Friday afternoon. Please ensure that you share the appointment evidence with the office to be marked as authorised absence rather than unauthorised absence.

Have a great weekend

## Teddy News!

Today I didn't get time to do the Teddy Assistant training as there was a meeting that stopped Mrs B coming. Next week my training will continue though. I am still working on 'leave' but my 'walking to heel' has come on a treat. Talking of treats— I was bought a doggie chocolate easter egg by a kind parent and I am nearly finished it. I wonder how many of the children still have Easter eggs left? Not many I am sure lol.

Love Teddy xx

### Next Weeks Active Challenge:

**Step In, Step Out  
60 Second Challenge**

Can you keep trying even when you want to give up?

How many times can you step in and step out of a circle in 60 seconds?

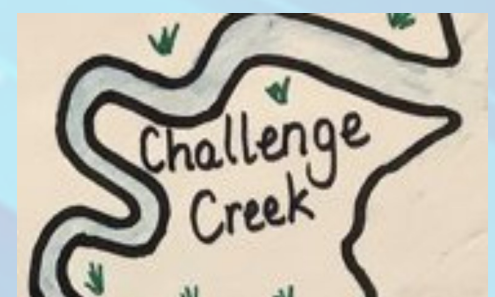

You must step in and out of the circle, one foot at a time. Both feet must step into the circle and then out again. No jumping!

## The Journey Curriculum

Each week in school we will focus on an area of our Journey Curriculum Map—staff will ensure this is a focus in lessons and children will be asked about their understanding of it across the week. Our focus next week is...

Please ensure that children have a PE bag t school as they get hot and sweaty during their physical sessions and it is not pleasant for anyone if they have to remain in the same clothes they did PE in. Please let Mrs Pearson know if you are struggling as we may have some pre-loved in school.

Lots of Love
