

## Sharley Park Community Primary School Statement of British Values

The DfE continue to reinforce the need “to create and enforce a clear and rigorous expectation on all schools to promote the fundamental British values of democracy, the rule of law, individual liberty and mutual respect and tolerance of those with different faiths and beliefs.”

The Government set out its definition of British values in the 2011 Prevent Strategy, and these values continue to be reiterated. At Sharley Park these values are reinforced regularly and in the following ways:

### **Democracy**

Each year the children decide upon their class charter and the rights associated with these. All the children contribute to the drawing up of the charter. We have a School Council which meets every month to discuss issues raised in class council meetings. The School Council has its own budget and is genuinely able to effect change within the school. Every child on the School Council is voted in by their class. A questionnaire encourages children to put forward their views about the school.

### **The Rule of Law**

The importance of laws, whether they be those that govern the class, the school, or the country, are consistently reinforced at Sharley Park. Pupils are taught from an early age the rules of the school. These are our Golden Rules, Playground Rules and Safety Rules. Pupils are taught the value and reasons behind rules and laws, that they govern and protect us, the responsibilities that this involves and the consequences when laws are broken. Visits from authorities such as the Police and Fire Service help reinforce this message.

### **Individual Liberty**

At Sharley Park, pupils are actively encouraged to make choices, knowing that they are in a safe and supportive environment. As a school we educate and provide boundaries for young pupils to make informed choices, through a safe environment and an empowering education. Pupils are encouraged to know, understand and exercise their rights and personal freedoms and advised how to exercise these safely, for example through our eSafety and Personal, Social and Health Education (PSHE) lessons.

### **Mutual Respect**

Mutual respect is at the heart of our values. Children learn that their behaviours have an effect on their own rights and those of others. All members of the school community treat each other with respect. The first of our Golden Rules reads: I will be respectful and polite.

### **Tolerance of those of Different Faiths and Beliefs**

Here at Sharley Park we undertake assemblies which uphold traditional values of empathy, respect and tolerance. These are also taught within formal Social and Emotional Aspects of Learning (SEAL), PSHE and RE lessons and on an informal nature throughout the school days. Sharley Park is a diverse school and we actively promote diversity through our celebrations of different faiths and cultures. Members of different faiths and religions are encouraged to share their knowledge to enhance learning within classes and the school. The children visit places of worship that are important to different faiths.
