

# **SPCPS Newsletter**

Hi All,

I can't quite believe that this is the last newsletter of 2024. I also can't quite believe how much we have crammed into the last week lol. We have had the Winter Fayre, Christmas dinner day (this started for staff at 10am with the decorating of the hall and tables and finished at 2pm with tidying everything away), the Christmas toy raffle (on teams), the delivery of the Mission Christmas and Tesco's toys to school, Singing around the tree, party day and all with the added sparkle of Christmas jumper week. Phew! What an amazing week.

We are, as always, incredibly grateful to receive the Mission Christmas donations and also the Tesco's donations as these donations really do make a huge difference to families. The Christmas jumper donation was also a huge success and will be repeated next year after such positive feedback.

This week has been another week that has been, at times, off timetable and also unusual with the tinsel and glitter that comes hand in hand with Christmas. But I must say I am incredibly proud of our gorgeous children, who managed the changes and distractions brilliantly.

I don't think there is any thing else for me to say apart from a huge thankyou from myself, the staff and Teddy for all the generous gifts that have been received. It really is incredibly kind of you and very appreciated. So it is with happy memories and great excitement that I sign off the final newsletter for 2024 and welcome in the New Year and all the wonderful things we will achieve next year. From myself, the staff and Teddy we wish each and every-one of you a very Merry Christmas and a Happy New Year.

Stay safe and enjoy making memories with your family and friends xx

## **Teddy News!**

The tree is still here and I have still not weed on it but I might try when Mummy is not looking. This week I have been extra warm with my selection of Christmas doggy jumpers. I looked fab, if I say so myself. I also had a lovely Christmas dinner on Tuesday, I now wish I had this dinner every day.

I think it must be my birthday as I have had lots of presents, some of which I have opened and some which I have gone under the tree. I am not sure why the tree has stolen them but I intend to get them back.

Love Teddy xx

#### Step In, Step Out 60 Second Challenge

Can you keep  
trying even  
when you  
want to give  
up?

How many times can you  
step in and step out of a  
circle in 60 seconds?

You must step in and out of the  
circle, one foot at a time. Both feet  
must step into the circle and then  
out again. No jumping!

## The Journey Curriculum

Each week in school we will focus on an area of our Journey Curriculum Map—staff will ensure this is a focus in lessons and children will be asked about their understanding of it across the week. Our focus next week is...
