

SPEPS Newsletter

Hi All,

I wanted to start the first email of the new year with a lovely message that I had received off a parent who attended the 'Singing around the tree' event that took place, after school, just before Christmas-

'I just want to say what a wonderful evening. Such a perfect way to get into the Christmas spirit. Seeing all the children and family's full of joy and laughter'.

I usually start my newsletters with something about the weather at the moment but it think the less said about the weather at the moment, the better lol.

Miss Potter has asked me to share that we already have a school council event in the diary, which is really exciting. Miss Potter shared that we will be hosting a valentines disco on the 13th Feb in the assembly today and as you can imagine the children were incredibly excited. Miss Potter will share more information about it next week. So get you reds, pinks and hearts ready!

Today our Teddy Assistants (children that have been chosen to work with Teddy) started their work with Mrs Stevenson (Mummy) and Mrs Brothwell. The children worked with Teddy on his sit and walk commands. Over the next few sessions the children and Mrs B will be teaching Teddy his new command of 'down' and after this the next command 'leave'. Teddy and the children are very excited.

I am thrilled to announce that the Bloom Room (the room that has been out of action for over a year due to roof leaking) is back in action. It is a multi use room with a focus on sensory and calm. The colours and furnishings have been chosen with a calming environment in mind fo the environment.

Hopefully the weather will improve and we wont be needing to wear so many layers over the next few months.

Take care and have a super weekend Mrs S xx

Teddy News!

I am so glad to be back at my second home. And guess what over Christmas the tree has disappeared and I never even got the chance to wee up it. I will let you know if it comes back. This week I have been in a few classes and today I have worked with a few small people, which is fab. I have trained them that when I sit, they say sit and give me a treat. How clever am I to train the small people to do what I want.

Love Teddy xxx

Next Weeks Active Challenge:

Step In, Step Out 60 Second Challenge

Can you keep trying even when you want to give up?

How many times can you step in and step out of a circle in 60 seconds?

You must step in and out of the circle, one foot at a time. Both feet must step into the circle and then out again. No jumping!

The Journey Curriculum

Each week in school we will focus on an area of our Journey Curriculum Map—staff will ensure this is a focus in lessons and children will be asked about their understanding of it across the week. Our focus next week is...

Reminders and Dates for the diary ...

This week is just a reminder that as the weather stays cold, we know that children will bring more layers and accessories to school so please make sure these are labelled.

No jewellery (apart from stud earrings), makeup or nail varnish is acceptable in school. Please ensure your child does not come to school with these items on please.

Lots of Love
