Water Warriors

Hi All,

Due to being outside for the whole day, feeling very soggy and tired from filling water buckets, I am going to keep this newsletter short and sweet. Today was my second favourite event– Water warriors. The children have had the most amazing time and the staff have too. We are very blessed at Sharley Park to have the most fantastic staff who will always put 100% into everything– including getting wet at water warriors, being covered in paint for the colour run, creating amazing end of year events, dressing up for events and participating whole heartedly in events such as Sharfest, world book day.... These events are purely for the engagement and enjoyment of the children and would not happen without the staff and their generosity of time.

Monday was the Summer fayre and a big thank you to everyone who supported us, it was a great success. This week we had the Year 6 and Year 3 trips which the children loved. Yesterday the staff sent out your child's report– please do send back the comment slip if you are able.

This weekend is set to be a scorcher, stay safe. Have a great weekend.

Next Weeks Active Challenge:

Step In, Step Out 60 Second Challenge

Can you keep trying even when you want to give up?

How many times can you step in and step out of a circle in 60 seconds?

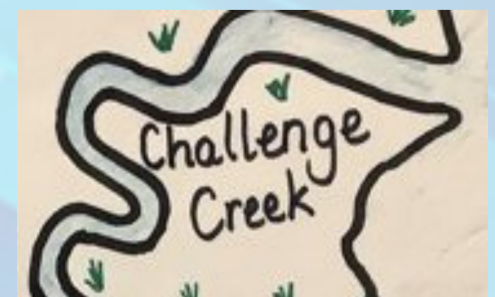

You must step in and out of the circle, one foot at a time. Both feet must step into the circle and then out again. No jumping!

The Journey Curriculum

Each week in school we will focus on an area of our Journey Curriculum Map—staff will ensure this is a focus in lessons and children will be asked about their understanding of it across the week. Our focus next week is...
