Hi All,

I honestly cannot believe that today was the last assembly of this academic year. As always, it was bitter sweet saying goodbye to the staff who are moving on to pastures new but it is also emotional knowing that we only have a few days left with our Year 6 children. For most of the Year 6 children they have been with us for the last 7 years. We have watched them physically grow, academically grow but also emotionally grow. The journey of independence is a huge one and as they travel through school they slowly learn to stand on their own two feet and this will continue in secondary school. It is inevitable that along the way children will learn how to manage their own emotions, emotions of others and situations that present themselves on the way. All we hope for is that as our Year 6's leave us to start their next journey, they remember that they are amazing, they can aim high, they empathise and understand others and that they continue to have the 'I can' Sharley Park attitude.

During the next week we have so many lovely events planned alongside time to prepare all our children for their next steps, whether that be at Sharley park or at secondary school. I hope to see you at the annual Sharfest event and would like to take this opportunity to thank Miss Potter for organising the event, which is sure to be fantastic.

Finally in the last newsletter of this academic year, I would like to take the time to thank you, our parents, for the support you continue to give the school. If your child is leaving for secondary school- please do keep us up to date on how they are doing as we are always interested. I have recently seen the Tupton Hall awards and felt pride seeing so many ex SP pupils receiving awards for the progress that they are making. If you are stuck with us for a little while longer then a big thank you from myself and the staff for understanding the journey of discovery that children are on to prepare them not only for secondary school but for the 'real world'.

Everyone at SP wishes you a safe and wonderful summer break and look forward to seeing you all again in September.

Love Mrs S xxx

## **Teddy News!**

Wow wee, the weather has been hot. I am very jealous of the small people as they take off all their layers. I have found this a little difficult for myself, as try as I might my fur coat will not come off lol.

However I do have a doggy fan in my room and a paddling pool to keep me cool, so life isn't all bad. I know over the next few weeks I will have the school to myself which means I can do zoomies up the corridors- yay. However, I will miss the small people and will be chuffed when they come back to school.

Love Teddy xx

### Next Weeks Active Challenge:

#### Step In, Step Out 60 Second Challenge

Can you keep  
trying even  
when you  
want to give  
up?

How many times can you  
step in and step out of a  
circle in 60 seconds?

You must step in and out of the  
circle, one foot at a time. Both feet  
must step into the circle and then  
out again. No jumping!

## The Journey Curriculum

Each week in school we will focus on an area of our Journey Curriculum Map—staff will ensure this is a focus in lessons and children will be asked about their understanding of it across the week. Our focus next week is...
