

SPEPS Newsletter

Hi All,

The half term started with decidedly wintery weather which made us all reach for the layers, big coats and even gloves. Then just as we adjusted to the colder climate, low and behold, the temperature turned mild leading us all to having hot flushes (or maybe that's just the menopause lol) and stripping off the layers. Anyway, today has been rainy, so who knows what the weather will be on Monday?? Just a reminder to pop your child's name in their items as they no doubt will stray away from your child and we would love to reunite them (and you) with the item again.

I have sadly had a few complaints from parents, children and adults about children riding their bikes and scooters at speed in front of school at the end of the day and also children riding their bikes inconsiderately and unsafely from their homes to school. The children have been spoken to about this in their classes but please also share this with your child, if they bring a bike or scooter to school. We do not want an injury to anyone at school or in the community. Thank you for your support in this.

Today was our school Remembrance Assembly, thank you to Mrs Sherwood for organising this. For those of you who are not aware Mr Sherwood is also our Makaton Lead and has a weekly slot in our Friday assembly to teach our whole school Makaton signs, which are then used around school. Please ask your child about this.

Thank you to everyone who attended the parents evenings, anyone who has not managed to attend the meetings will be receiving a reminder letter to remind them to make an appointment as soon as possible. Thank you to everyone who completed the questionnaire , we were really pleased with the positive responses that we received. We will share the outcomes with parents very soon.

Odd sock day is next Monday 10th Nov and next Friday 14th Nov, is Children in Need Day– a big thank you to Miss Potter and Miss Page who are organising these days. Please see dojo for information. It looks like they will be fabulous days for very worthy causes.

Finally, Our next Inset day is on the 28th November, which will be a training day for staff predominantly on SEND support.

Have a great weekend

Mrs S xx

Teddy News!

This week I have been very busy with the little people and have enjoyed being in some of the positive play sessions. I love these as I get 1:1 time with a child and their adult. I love the strokes and loves that I receive.

This week I had a lovely Halloween treat bag from someone in school, I really wanted to eat the whole bag but Mummy said I should have a few to eat each day and make them last and this way I have something nice every day.

Love Teddy xx

- 28th Nov— INSET Day
- 3rd Dec- Jack and The Beanstalk Panto in school KS1/EYFS am and KS2 pm.

The Journey Curriculum

Each week in school we will focus on an area of our Journey Curriculum Map—staff will ensure this is a focus in lessons and children will be asked about their understanding of it across the week. Our focus next week is...

Challenge Creek ..
