Hi All,

The less said about the weather the better. It has been wet, wet, wet and I don't mean the 80's band. I now have Mrs Pearson singing 'I feel it in my fingers...' to me at every moment lol.

Last week the whole school had a fantastic assembly led by our schools Climate Lead- Miss Benton. She shared all about the schools focus on 'net zero' and climate change and the changes we can make. She also announced that she would be looking for some Climate Ambassadors in school to help her to make school more ecofriendly. She has shared with me that the interest from the children has been overwhelming and that she is now looking through them to make her decisions soon. This is very exciting for school as we are currently looking at ways that we can be more sustainable, use less resources and work in a positive way to reduce climate change. There are a couple of big things in the pipeline, that have taken over a year to plan and bid for, and I hope that I am in the position to share these with you in the next few weeks.

We have had a small number of children who have had an incident in school and have gone home to share with parents, who have then had to let us know the following day. On investigation by the class teacher, it has become apparent that the child has not told any adults in school. Although it is only a few incidents this has happened, I have reminded the children in assembly today to always tell their trusted adult, so that it can be dealt with straight away. Please remind your child to always tell an adult in school if they have a worry or concern. Thank you

If you have changed your phone number, then please share this with office staff as we may need this in an emergency. Also please check that your access to dojo is still working as we have had a few parents who have missed things that we have posted on dojo. Dojo is our primary source of sharing information and communication.

This week we held a two-minute silence, in a special assembly, for Remembrance. I was so impressed with the children and how fabulous they were. Thank you also for the poppy donations- the money has now been collected, and they will let us know the total soon.

Wishing you a fantastic weekend

Mrs S xx

Teddy News!

I have loved today as there were bears in the school. These were very different to any bear I have seen before. They were yellow and had a spotty handkerchief over one eye. They were everywhere! The small people were in a very fun mood today and they were wearing lots of spotty and bright outfits. I have kindly changed my photo to a picture that the small people made in Nurture group, thank you Mrs BB and Miss Winfield for your help.

Love Teddy xx

26th Nov— Y6 First Aid Training

28th Nov— INSET Day

3rd Dec- Jack and The Beanstalk Panto in school KS1/EYFS am and KS2 pm.

The Journey Curriculum

Each week in school we will focus on an area of our Journey Curriculum Map—staff will ensure this is a focus in lessons and children will be asked about their understanding of it across the week. Our focus next week is...

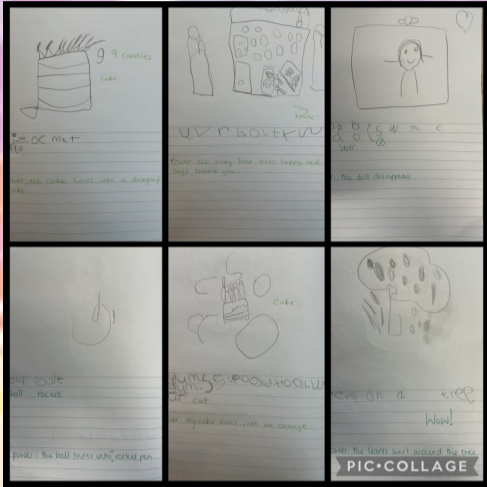

Challenge Creek ..
