Hi All,

What a fab week it has been – the weather has been cold but sunny- best weather for this time of year. But the best thing about this time of year is all the things that are Christmassy. On Wednesday we had the pantomime company in school, as a special treat for the children. We had one performance in the morning for the younger children and one in the afternoon for the older children. I could hear the laughter, screams and shouting from my office. The feedback from the children was that they loved Jack in the Beanstalk and wanted it again next year however we always have a different pantomime play each year. The children had a drink and biscuit in the interval and loved every minute.

We were thrilled to receive our cardboard trees from our local cardboard company (which is just down the road). They have supported school for a number of years with Christmas tree cut outs but we are sad to share that this year will be their last year. We will be so sad to say goodbye to Tom and all the staff. See below.

Film night on Monday was a great success – thank you Miss Potter and the school council for organising and the staff for staying to help. We are definitely now in the Christmassy mood.

Thursday afternoon was the annual EYFS Ball in the Hall, which is the highlight of the calendar. I loved having a dance with all the princess's and prince's in the hall, who are dressed in their finest outfits. I may have stolen the cheese balls for a little bit but I did say sorry and I gave them back lol. Thank you to all the EYFS staff for making it such a wonderful afternoon and the children for dancing with me.

We have seen a rise in the number of children that are coming to school late. Miss Bowes has a duty to watch for persistent lateness. Please make sure you are on time as the children start their learning at 8:45am and if they arrive at 9:15 then they have lost 30 mins of learning.

Have a great weekend

Mrs S xx

Teddy News!

How odd!!! A tree has grown in my Mummy's room over night. It was suddenly there in the morning and it is not like any tree I have ever seen before in my life. It has lights and lots of colour and balls hanging from it. I think the balls are for me to run after however Mummy hasn't taken them off the tree to throw for me yet?

Love Teddy xx

19th Dec— Christmas Party Day + Last Day of term

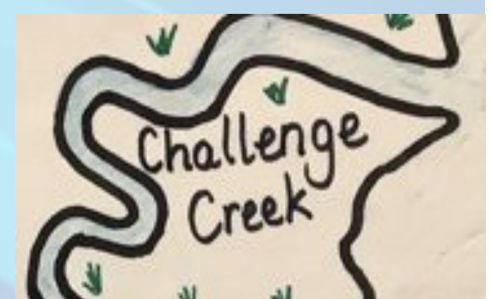

5th Jan— First day back at school

The Journey Curriculum

Each week in school we will focus on an area of our Journey Curriculum Map—staff will ensure this is a focus in lessons and children will be asked about their understanding of it across the week. Our focus next week is...

Challenge Creek ..
