

SPEPS Newsletter

Hi All,

What a totally fantastic week it has been. We have had a very special visitor in school this week who has 'ho ho ho-ed' his way through the week making everyone smile. The children have loved every minute of this week from the church visits to the carol concerts to the nativity to Christmas crafts and much, much more. And the great news is that it all continues next week, Please remember that next week (Monday to Thursday) it is Christmas jumper week. This is different to non uniform, as we still have the expectation that the children will wear their usual uniform but they can swap their red jumpers (or black hoodies for the Year 6's) for a Christmas jumper. Children don't have to do this if they would rather not. If you are struggling for a jumper then please remember that we have a pre-loved Christmas jumper box where you can take a Christmas jumper and also put any Christmas jumpers that no longer fit or you no longer want. On Friday it is non uniform day for all, as it is party day. The children can come in their party clothes or favourite outfits.

We have so much happening next week– on Monday we have the Winter Fayre in school. Thank you so much for purchasing raffle tickets. Every penny raised at the school fayres help to raise money for school, to put towards equipment and resources for the children. As mentioned in a past newsletter, we recently spent money raised at the last fayre on the two new medical walls that we have put at both ends of the school. We have also put money towards new equipment for EYFS and also KS1 and KS2 outdoor provision. Next on the wish list is new bean bags and furniture for our new refurbished 'Rainforest Room' which children use for a variety of reasons. So a big thank you to all parents for your support of the events that we put on.

We also have Christmas Dinner Day on Wednesday which is a real treat (and a lot of team work) getting 420 children through the kitchen along with approx. 60 staff. 500 crackers will be pulled and I have lost count of how many brussels sprouts will be cooked (we may regret this later in the day lol).

On Monday 19th December, the overnight work begins in school with the replacing of all light fittings into LED light fittings. This will continue to take place Monday to Thursday every night through December until the whole school has been converted. Please do not worry if you see the gates of the school open, cars and vans in the carpark and the lights in school on late at night and in the early hours of the morning. The magic elves will be at work and by January we are so looking forward to a beautiful new lights system in school.

Have a great weekend

Mrs S xx

Teddy News!

I have a tree in the room and it is still baffling me as it doesn't smell like a tree??? Wrapped shapes have started to appear underneath it and Mummy keeps telling me what a lucky boy I am and that I should say thank you for the gifts I am getting. I don't really know what she means but some of them do smell rather nice.

Love Teddy xx

19th Dec— Christmas Party Day + Last Day of term

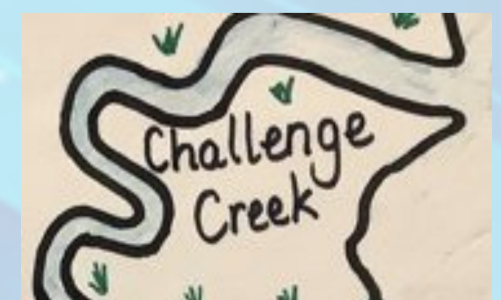

5th Jan— First day back at school

The Journey Curriculum

Each week in school we will focus on an area of our Journey Curriculum Map—staff will ensure this is a focus in lessons and children will be asked about their understanding of it across the week. Our focus next week is...

Challenge Creek ..
