

SPCPS Newsletter

Hi All,

This week has been a very busy one. I have seen a large number of children for work that they are proud of, these visits just make my day so fab. A few classes have had DT days this week which has been so great. I have had Gruffalo crumble and tasted a few other nice things. In after school cookery class it was pudding week and I got to sample cheese cake, jam rely poly and custard and a fruit crumble. If I carry on like this I will be the size of a house.

On Monday the staff had a whole day of training with Amelia, from Spelling Shed. This is a new spelling scheme that we will be using in school in the future. It is really engaging and encourages the spelling, understanding and syllable exploration of the word amongst other thigs. It is carried out and taught in a child engaging fashion, so will be a hit with the children, just as is TT Rockstars. To ensure that we are accessing the spelling scheme to the best of our abilities, school will be purchasing 120 new iPads with tough cases and 7 trolleys to recharge the iPads, for the school to use. This is costing over £60,000 but we can't wait.

Thank you to the parents that attended the Whitehall Residential and the Lea Green Residential meetings. Next week is parents evenings in school, please make sure that you book a slot with your child's teacher to find out how they are doing socially and academically.

I will be attending the Whitehall residential for the week commencing the 9th February. Mrs French and the senior leaders will be holding the fort in my absence. I will be in constant contact with school during this time and can return if needed. Sadly I will miss the Valentines Disco on Tuesday but I am sure the children will have an amazing time.

Please be reminded that half term is the week commencing the 16th February. I am sure you have some wonderful things planned. However if you want a bit of time without the kiddies or you are a working parent then please remember that Shape are running a school camp during the break. Please do sign up. Sadly if they don't get enough interest then future camps might not be viable and we will lose the ability to offer this in future. Like the saying goes– Use it or Lose it xx

Have a great weekend

Mrs S xx

Teddy News!

This week I have worked ,as usual, with the little people in the school but I had the added excitement this week of going out on a curriculum location walk with the Year 5's and Mrs Brothwell and Mrs Hollingworth this week. This was wooftastic and also gave me a bit of peace and quiet from Bear lol.

Bear seems to be growing at a pace and I think Mummy is worried that he might actually be a Great Dane in disguise.

Love Teddy (and Bear) xx

W/C 16th Feb-20th Feb— Half term

School starts back— 23rd February

The Journey Curriculum

Each week in school we will focus on an area of our Journey Curriculum Map—staff will ensure this is a focus in lessons and children will be asked about their understanding of it across the week. Our focus next week is...

Challenge Creek ..
