

SPEPS Newsletter

Hi All,

This week has been another very busy one. The weather has not been kind to us either with a number of inside lunch times due to the rain. I have my fingers crossed that the weather improves for Whitehall next week.

I have had an update on the Solar Panels installation and they have been now moved back to March– so watch this space. This week I have been busy with visitors in the school however the feedback from the visitors was incredibly positive and productive.

Thank you to all the parents who attended the parent's evening with the staff to find out how your child is doing academically, socially and emotionally. If you have not made an appointment then please do contact your class teacher to arrange one. At the end of next week staff will be sharing with me who has not and you will receive a reminder letter.

As mentioned in last week's newsletter, I will be attending the Whitehall residential for the week commencing the 9th February. Mrs French and the senior leaders will be holding the fort in my absence. I will be in constant contact with school during this time and can return if needed, however I know that the school is in the safe hands of Mrs French and she will be available to you for anything that you need. Sadly I will miss the Valentines Disco on Tuesday but I am sure the children will have an amazing time.

Please be reminded that half term is the week commencing the 16th February. I am sure you have some wonderful things planned. However if you want a bit of time without the kiddies or you are a working parent then please remember that Shape are running a school camp during the break. Please do sign up. Sadly if they don't get enough interest then future camps might not be viable and we will lose the ability to offer this in future. Like the saying goes– Use it or Lose it! Xx

Please note our second page of the newsletter will be sent on Monday xx

Have a great weekend

Mrs S xx

Teddy News!

This week I have worked with some of the visitors in school which has been fun. Sadly, I was not able to see my small people on the gate as I was so busy. Next week I am on my holidays to Whitehall with Mummy (although Mummy keeps saying it is definitely NOT a holiday?). Bear is staying at home as he is too small for holidays so it is Mummy and Teddy time with some of the small people.

Love Teddy (and Bear) xx

Believe, Courage, Achieve
