

# SPEPS Newsletter

Hi All,

I am saying nothing about the weather today as I am thoroughly disappointed with it lol

The last week of term was soooooo busy with the most wonderful events—we had our Easter Bonnet parade where the children paraded through school and into the hall– the designs and creativity that we saw were fabulous. Myself and Miss Page took our dance troupe to the Winding Wheel festival and they were amazing, we had the Year 5's Sing2gether concert with three other schools and Year 3 went on their trip to the Yorkshire Wildlife Park. Phew what a busy last week for the children.

Over the Easter break we had a lot of visitors, not just the Easter Bunny, We had the solar panel people on the roof and the LED people came to check the LED lights in school, The builders were on site in the EYFS area, starting stage 1 of the shelter extension– which we are really hopeful will be complete by the end of May. We also had the work beginning with stage 1 of the car charger installation for the staff to use and some work took place in the kitchen.

Qualitas Easter camp took place over the Easter break and the children took part in cookery, art competitions, Easter egg hunts, craft activities, film sessions as well as some of their favourite sports. The children also had time just to chill and chat which I know they really enjoyed. All places were taken for the camp, which was fantastic. I am currently in talks with Qualitas to provide a summer camp in school over the 6 weeks holidays. Due to the positive feedback from parents, they will again follow the same schedule as over Easter- with crafts, films, cookery, games, chill and chat as well as time to play with toys and with friends in the playground. Please keep your eyes out for the date when you can book for the summer as the places will be limited.

This week we welcomed Mrs Clarkson (Deputy Head) and Mrs Key (Year 5 job share teacher) into our school. Mrs Clarkson has met lots of you on the gate and in school. She has already spent some time in the classrooms and in the assembly with the children and we are testing her on her memory of names lol. Mrs Clarkson has already started looking at the English and has initially focussed on handwriting. She has had a number of visitors to her office to share their good work. We are excited about the fantastic ideas that she has for the school. Watch this space.

Over the weekend please do not be too alarmed if you see work taking place in school. On Saturday we have work starting at 8am and finishing at 4am, so please do not worry if you see movement and lights in school at night time– we are having our new LED emergency lighting checked.

Have a super weekend

Mrs S xx

We had a fantastic holiday and went away in the caravan to Devon. Bear got his first experience of the beach and was a little surprised when the sea tickled his toes. I, being the big brother, was not worried at all and just did zoomies up and down the beach.

Love Teddy xxx
