

SPEPS Newsletter

Hi All,

Well we survived the weather phenomenon that we were dealt last week– torrential rain, cold wind, frost, hail stones, sunshine... all in one week. We understand that there might be a sharp increase in temperature next week. On Friday we have our Sport's Day planned and we are hoping for the perfect weather. We will keep you updated if we have any concerns about the weather being too extreme to allow Sport's day to go ahead, due to safeguarding and health and safety. Fingers crossed that we have the best weather for Sport's day.

Next week is sport's week and Mr Smithurst and Miss Benton have some fantastic things organised. There are different activities for different cohorts to try including a mobile rock climbing wall that will be at school for two days, extreme wheels, just dance competition, archery, boccia, kurling, seated volleyball, goal ball with blindfolds disc golf, rugby as well as the sports day on Friday and the games day, where the children work in teams to achieve the most points in 15 different activities for a short amount of time. It is always a fabulous week and a brilliant way to not only finish this half term but as a well done for SATs and Assessments for all the children.

Next half term is a very long half term- 1 day short of 8 weeks. When we have such a long half term it can feel tiring for all and we have a large number of fantastic events to fit in, including Sharfest, the colour run, water warriors, the summer fayre and many more. Please be reminded that school uniform is expected until the end of the summer term. During sports week we expect the usual school PE kit to be worn as per school policy, as it would be worn for the usual PE lessons. Please be reminded that we ask that brands are not used as this can cause peer pressure for children and also requests from children that parents can't financially meet.

Supermarkets stock low cost uniforms for school. If you are experiencing any difficulty with uniforms then please approach Mrs Pearson who will be able to share suggestions with you for replacement uniforms.

This week the Year 2's went to Chatsworth for the day and had the most fantastic day. We were sent some feedback from the organisers at Chatsworth– who wanted to share that the Sharley Park children were the most well mannered and beautifully behaved and inquisitive children that they had met and that they had met a lot of children and schools across the year. Well done Year 2s and the staff– we couldn't be prouder.

As mentioned already, next term is a very busy term with transition days to fit in as well. I will be sharing class teachers and which year groups they will be teaching after half tem so that you will know who your child's next teacher will be.

Please be reminded that each day on the gates you will find one our Senior Management. Senior leads– Mrs Graham, Mr Smithurst, Miss Potter, Mrs Pearson as well as myself and Mrs Clarkson (Deputy Headteacher). Also on the gate each day is Miss Bowes our attendance officer and Mrs Ellis our welfare officer. We are all more than happy to have a chat in the morning so feel free to grab us.

Have a super weekend

Mrs S xx

I made some new two legged big people friends this week. I met a man who liked to draw play equipment and a man who talked about sun panels or something, on the roof. Bear and I had a cheeky sausage or two with the Year 6 children as a Friday breakfast cob treat– yummy

Love Teddy xxx

Reminders and Dates for the diary ...

18th– 23rd May– Sports Week.

Throughout the week, the children will be involved in a range of different sporting activities in school.

The children can come to school in their PE kit next week– please see the message from Mr Smithurst about what is permitted.

22nd May– Sports Day

- Key Stage 2 in the morning and
- EYFS and Key Stage 1 in the afternoon.

23rd to 31st May- HALF TERM– school is closed this week. Enjoy the break!

Monday 1st June– Summer term 2 starts

Monday 8th June– INSET day, school is closed to pupils

The Journey Curriculum

Each week in school we will focus on an area of our Journey Curriculum Map—staff will ensure this is a focus in lessons and children will be asked about their understanding of it across the week.

Our focus next week is...

Memory Mountain
