Hi All,

Another whizz by week. In assembly today I had to talk to the children about rough play at break times and lunchtimes, as we have some unkind hands and feet recently. The children have been made aware that this behaviour is not acceptable and consequences will be put in place. I am sure that we will continue to see a big improvement, as we did at lunchtime today.

Whilst being on topic of the lunchtimes- the new trim trail has gone down a treat with the KS2 children. The whole school also love the sports leaders from Qualitas who school pay to spend time at lunchtimes with our children, every day, sharing sports, games and fun activities. I think the favourite activity is the archery session.

Please be reminded that it is an INSET day for staff on Monday the 5th October. The staff will be carrying out mandatory training including GDPR training, and also working on the journey curriculum work, whole school book moderation and designated SEND time.

This week the focus has been Memory Mountain and the ability for the children to recap on previous learning from the last session, last topic and last year. Mr Smithurst as Digital Lead had been on some AI training and digital lead training and is full of exciting ideas for the future. Watch this space. We will also be completing the cyber security audit next week.

Next week Mrs Pearson will be attending anxiety training and spending the day at Starting Point to get a view of what happens from their side.

This week we have started our tours of the Early Years and have met some lovely parents and children, who have attended for our school tour and session in Early Years. We have a few more dates coming up, so if you know of anyone who is exploring where to send their child next September then please let them know that they can come and have a look round school.

Finally, just a polite reminder that whilst staff are in the classroom teaching, they will not be able to respond to messages until after school.

Have a great weekend Mrs S xx

Looks who's back, woofies back, back again, tell a friend la la la

I have had a great week this week and spent a lot of time in different classrooms with the little people. I also said hello to the new little people who were looking round our school on the EY tours. Bear is still a bit noisy but is still in training so that is ok, apart from when he nibbles my legs.

Love Teddy and Bear xx
