Hi All,

What a mellow yellow day it has been. A big thank you to Mrs Hobson who created and directed the staff and children through a truly spectacular Mental Health Day. Our 'sea of red' turned to a 'sea of yellow' as bright as the sunshine. It was just gorgeous to see everyone walking around wearing yellow and being so smiley. All of the children had a musical 'Boomwhacker' session which was fantastic to hear around the school. The healthy fruit and vegetable kebabs that the children made in their classrooms helped the children to understand the importance of healthy eating for a healthy mind. The children created positive notes for each other and staff, I have to say I was thrilled to receive some. The children took part in exercise sessions and mindfulness sessions to see how it can help with the release of chemicals in our bodies and how too slow our breathing down. Then to top off a truly fabulous day we invited our 'mice parents' into school for a story session. It was lovely to see so many parents snuggled up to their mouse, talking about what they had done during the day and then settling down for a story or two. What an amazing day it has been xx

I forgot to say a shout out to our amazing KS2 children, some of who recently had a bikeability session. Thank you to Mr Smithurst and Miss Benton for organising this, the children were helped to become road safe and road confident. Bikeability supported the children in how to approach junctions, ride safely on the road and generally being confident and considerate of others on 2 wheels.

Mrs Clarkson has asked me to remind everyone that at 10 o'clock tomorrow morning if you can share a book for 10 minutes with your child and take a photo of them reading then each child entering will get a certificate and she will be choosing photos at random to receive a prize in assembly and displaying the photos in school.

Next week we hold our parents evenings in school. The staff are looking forward to sharing with you how they are settling in, what learning is taking place and how you can support your child at home. Please make an appointment if you haven't already done so.

Have a great weekend

Mrs S xx

This week I have worked with the little people in a variety of ways— 1:1, in positive play sessions, in classrooms and in my training session with my Teddy assistants

Love Teddy xxx

I slept, trained, barked, chewed and ate
